

Nextdoor

. to stay connected with your neighbourhood

Nextdoor is a community network for neighbours to message each other when looking for or giving away items or seeking recommendations for a pool cleaner, gardener, plumber, electrician, builder or cleaner, alerting neighbours about local activities or problems; to receive notifications from local utility companies [such as Chiclana Natural or Endesa giving advanced notice of any planned water or power cuts].

To get started:

- 1. visit www.nextdoor.co.uk
- 2. enter your street address and email address then follow the link.
