This spacious, five bedroomed house is quietly located on the sixth fairway. The front garden is partly driveway [enough for four cars] and grass bordered by oleanders, a jacaranda, pomegranate, palms, a Norfolk pine and other trees.

From the front patio double doors lead to the hall with a staircase to the tower and library. The lounge dining room leads to the back porch and garden. Three of the bedrooms have double beds with ensuite bathrooms; the fourth and fifth bedroom [small and for summer use with access from the garden] share the family bathroom. The house has fibre optic [600mbps] wifi, UK and European TV, gas central heating and is part airconditioned [ideal for both summer and winter guests]. The kitchen is fully fitted and there is a washing machine and tumble dryer in the utility room.

The pool is 11mx5m and the back garden with views to the sixth fairway is mainly lawn with table tennis, badminton and croquet.
