Master ensuite with dressing room and steam room

2nd ensuite bedroom

3rd bedroom currently used as a study

Fully fitted kitchen with utility room and wine cellar open plan to the lounge and dining room

Shared roof top terrace

Wrap around hallway overlooking the internal patio

Totally renovated some 12 years ago to a high standard revealing ceiling beams

Original marble floors. American oak herringbone parquet flooring. All rooms have Climalit tilt and turn double glazed french windows with shutters and Juliet balconies overlooking the calle

Gas fired central heating and fireplace

The floor plan

On entering the apartment from the 1st floor landing the marble tiled entrance hall wraps around the classic internal patio with exposed beams and windows looking down on the beautiful patio floor below. All the main rooms in the apartment have full length double windows

Fundamentally renovated by the current owners removing false ceilings, laying solid wood parquet flooring, renovating the period shutters and double glazing the outside windows which lead to Juliet wrought iron balconies. Open plan kitchen, dining room and lounge, gas fired radiators and pre-installed gas fire.

The utility room with wine cellar and Saunier Duval gas ch boiler. The Santos designed fully fitted kitchen: marble work tops, breakfast bar, gas hob with ceiling extractor Neff and Whirlpool appliances

Master bedroom

Master bedroom dressing room

Second bedroom

Master bathroom with steam room and the second bathroom

Third bedroom and study

One of the three entrances to the apartment from the corridor; this one closest to the front door leads left to the master ensuite, right to the third bedroom currently used as a study

Plaza de Espana, Plaza Mina, Plaza Candelaria, El Teatro Falla, El Mercado de Abastos, El Mercado de Flores, Plaza de la Catedral, the promenade with ocean views and the beach are all within walking distance . Also close by is the train station with high speed connections to Jerez, Sevilla and Madrid. Alternatively take the tram past the salt pans and flamingos passing through San Fernando to Chiclana. Long term underground carparking at nearby Canalejas.

Views from the communal roof terrace towards Canalejas and of the Iglesia San Francisco
